

So, you wish to get a Restricted Licence...

At the Ontario Firearms Safety Academy, we provide the standard, 6-hour Canadian Restricted Firearms Safety Course to obtain a Restricted Firearms Licence

As a prerequisite, students must provide proof that they have already completed the non-restricted course.

There are 3 options to pro-

vide that proof.

- 1.** Present a valid Firearms Licence.
- 2.** Present a copy of your Canadian Firearms Safety Course Report.
- 3.** Present a copy of a Canadian Firearms Safety Course Exam Verification Form supplied to your by your Instructor.

If you have just recently completed the Firearms Training Course with us, no written proof is required.
